Selected Commercial Laboratories in Northern and Central California

April 2005

**Analyses performed include: plant and soil nutrients, plant pathology,
water testing, hazardous wastes and pesticide residue.**

Please note that the names and companies provided in this listing are for informational purposes only and do not constitute any sort of endorsement or recommendation by the University of California Cooperative Extension

UC Cooperative Extension – Sonoma County Rhonda Smith, Viticulture Farm Advisor

The University of California prohibits discrimination or harassment of any person on the basis of race, color, national origin, religion, sex, gender identity, pregnancy (including childbirth, and medical conditions related to pregnancy or childbirth), physical or mental disability, medical condition (cancer-related or genetic characteristics), ancestry, marital status, age, sexual orientation, citizenship, or status as a covered veteran (covered veterans are special disabled veterans, recently separated veterans, Vietnam era veterans, or any other veterans who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized) in any of its programs or activities.

University policy is intended to be consistent with the provisions of applicable State and Federal laws.

Inquiries regarding the University's nondiscrimination policies may be directed to the Affirmative Action/Staff Personnel Services Director, University of California, Agriculture and Natural Resources, 300 Lakeside Drive, 6th Floor, Oakland, CA 94612-3550, (510) 987-0096.
